

ERFUSS'24

International Congress of Students Of The Faculty of Education and Rehabilitation Sciences
Faculty of Education and Rehabilitation Sciences, University of Zagreb

Dear colleagues,

we are happy to invite you to the **5th International Congress of Students of the Faculty of Education and Rehabilitation - ERFUSS 2024, which will be held from May 24th to May 26th, 2024.**

ERFUSS is a congress that has been held every two years since 2014 on the Borongaj campus. The abbreviation of the congress - ERFUSS stands for "**ERF in cooperation with...**", thus this congress emphasizes the importance of cooperation between the three fields of study at our faculty, cooperation with other professions as well as international cooperation. At this congress, we exchange knowledge, views and experiences and establish acquaintances at the national and international level. In addition to students, experts from each field of study will present at the congress and will hold plenary lectures.

Due to this very reason, students from related disciplines such as psychology, sociology, pedagogy, educational sciences, philosophy, law, social work, linguistics, phonetics, medicine, kinesiology, as well as students from seemingly unrelated professions such as electrical engineering, computing, mechanical engineering, architecture, graphic design, and artistic fields, who can greatly contribute with their skills and knowledge to the team within the educational-rehabilitation field of work and science are cordially invited to attend this Congress.

You can register for the congress as an **active or passive participant**. You can participate actively through **an oral presentation, presenting a poster or holding workshops** (a summary of your presentations must be sent with the application), while passive participation means listening to lectures and participating in workshops. With the desire to emphasize the interactive nature of the congress, all participants will be able to take part in workshops, panels, round tables, and other forms of discussions.

Registration fees for passive participants **are 8 euros**, while for **active participants the fee is not required**. Passive participants pay the registration fee immediately upon registration, and active

participants only when their application is approved. **The deadline for payment of the registration fee for all participants is April 20, 2024.** In case of cancellation, the registration fee will not be waived (if there is no valid reason). It is mandatory to send a certificate of payment of the registration fee. You can make your payment to the account of Faculty of Education and Rehabilitation Sciences, University of Zagreb at Zagrebačka banka d.d. IBAN: HR872360000-1101355137 with the indication "Registration for ERFUSS 2024- Name_Surname".

If you want to participate, please fill out one of the following forms (there are two forms, depending on the type of desired participation):

- **form for active participants-** <https://forms.gle/urY8g5kBuoNsh4bE8>

- **form for passive participants-** <https://forms.gle/EBRPDAKF8oav29Sq5>

Applications for participation are open until April 15, 2024. Please comply the defined application deadline because applications after that date will not be accepted.

Instructions for writing a summary of papers and a list of suggested paper topics are attached. By applying, you agree to have your abstract published in open access in the ERF digital repository as part of the ERFUSS 2024 Book of Abstracts.

The organizing committee of ERFUSS provides the possibility of finding accommodation for foreign students and for students who do not have accommodation in the city of Zagreb. Furthermore, the Organizing Committee does not ensure the organization of transportation and does not cover accommodation and transportation costs. There is a possibility for co-financing, depending on the collected sponsorships, but you will be informed about this in time.
